

# Lori Humphreys

“Hello!” to everybody.

I’m thrilled to become a member of the CWA 3640 e-board. I look forward to being a positive means of support for the team here in Winston-Salem (and surrounding areas!) I moved to North Carolina -the most perfect state- from Arizona (SO hot) in 2020 and couldn’t be happier with the welcome I’ve received! I started with the airline over 27 years ago and have been active with the union since the ratification of our current contract. I’m looking forward to a great, big, beautiful tomorrow!

Happy to be serving the membership-

Lori
